

## Medical library guide to using the EBSCO Databases

1. Go to the Cochran School of Nursing homepage  
<http://www.cochranschoolofnursing.us>

### Remote access information

2. Remote access to the Ebsco database is available; please call the library at 914-964-4281

### How to search for a publication

1. Under the Library tab, click on EBSCO Databases. Then click on CINAHL
2. If you know the name of the publication e.g. *American Journal of Nursing*, select the publications tab at the top of the page and enter the name of the journal in the browse box. This method allows you to choose the year, volume and issue of the article you are searching for. Or you may choose to search within the journal for a topic such as diabetes.
3. If the article is not available in full-text, click on “request by interlibrary loan” link and fill out the form. You will receive notification when your article is available.

### Contact the library
