

Medcom T3 Video Database

User Guide

Cochran School of Nursing

- 1. Go to <http://www.cochranschoolofnursing.us> and click on the “Library”. Then click on “Medcom T3 Video Database” from the menu on the left side.**
- 2. On the Medcom T3 homepage click on “Create a New Account”. Use your Cochran email address or SJRH email as your username and choose a password. (Please make a note of your password as it can only be retrieved by calling customer service).**
- 3. You can search for a topic in the “Course Search” box.**
- 4. Click on your video title, and then choose Flash Player to open the video. When viewing from home, alternate streaming media players may be used, e.g., Real Player or Window’s Media Player.**
- 5. There are Post-Tests after many of the videos, please read the post-test instructions before beginning the test.**

Any questions? Please call the library at 914-964-4281
