R2 Digital Library User Guide

Full-Text Books in Nursing, Medicine, and Allied Health

1. Go to http://www.cochranschoolofnursing.us and click on the Library tab. Click on R2 digital Library from the menu on the left side.

2. If you are on the campus of the hospital/nursing school you can view any of the titles in the R2 Digital Library without logging in.

3. To access the R2 Digital Library remotely, a username and password must be created while you are on campus.

4. This is done by clicking on "Create User Profile" under the login box on the R2 homepage.

_____

Searching the R2 Database

1. On the R2 homepage, enter a title, drug or condition in the search box. Alternately, click on advanced options. This enables you to search by author, ISBN, publisher or editor.

Any questions? Please call the library at (914)-964-4281
